

Oh, the places we'll go in...

# Prep M and Prep T

With Miss Delisser and Mrs Tidswell  
Term 3, 2021

## English

Students will create, recite and respond to a range of poems. They will explore a range of rhyming stories on the farm and create their own poem using familiar rhyming pairs.

## Maths

Students will learn about teen numbers, equal quantities, sharing and combining, duration of time and mass. We will investigate chance and data by answering questions and creating a graph with collected data.

## Science

Move it, move It!  
Students will use their senses to observe and explore the properties and movement of objects.

## HASS

Students will explore the following inquiry question:  
*What are places like and what makes them special?*

## The Arts

In Dance they will participate in the weekly Dance Fever program.

## HPE

Students will explore information about what makes them unique, identifying their strengths and achievements.
