

Oh, the places we'll go in...

# Prep J and Prep D

with Mrs Johns and Miss Delisser  
Term 3, 2023

## English

Students will create, recite and respond to a range of poems. They will explore a range of rhyming stories, and create their own poem using familiar rhyming pairs.

## HASS

Students will explore the following inquiry question:  
*What are places like and what makes them special?*

## Science

Students use their senses to observe the weather and learn that we can record our observations using symbols. Students explore the daily and seasonal changes in the local environment and understand that weather conditions are not the same for everyone.

## Maths

Students will learn about teen numbers, equal quantities, sharing and combining, duration of time and mass. We will investigate chance and data by answering questions and creating a graph with collected data.

## Technologies

Students will explore the properties of materials and design a puppet with moveable parts to use in a puppet show.

## The Arts

In Dance, students will participate in weekly Dance Fever Lessons. In music, students explore rhymes and songs as stimulus for music making and responding.

## HPE

Students will learn ball skills by dribbling with their hands and manipulating balls with objects.
