

# Year 1

Term 1, 2023

## English

This term English units are based on 'Exploring emotion in picture books' and 'Explaining how a story works'.

### Students will:

- Make connections to personal experiences when discussing character feelings and events
- Identify language features, images and vocabulary used to describe characters and events
- Read aloud, with developing fluency and confidence
- Recognise and create simple sentences incorporating their new vocabulary
- Identify important parts of a story (eg. plot – beginning, middle and end)

## Maths

Students will be working on units in the Australian Curriculum

**Yr 1:** identifying number, duration of time, measurement (length) as well as addition and subtraction. They will learn and practise these concepts frequently throughout the term.

## Science: 'Living Adventure'

Students will consider the needs of living things and their habitats. They will make links between external features of living things and the environment in which they live.

## The Arts

Students will explore role and dramatic action in improvisation and dramatic play, focusing on situations involving shopping.

## HASS:

### 'My Changing Life'

#### Students will:

- Identify personal and family events
- Understand significance of these events
- Learn to sequence events in order
- Develop language and everyday terms to describe the passing of time

## Technologies

The children will investigate what happens on a farm, why farms are important and the plant and animal products from farms.
