

2023 Term 1 Overview

5H & 5M

Teachers: Mr Matthew Horne and Mrs Katrina Mills

ENGLISH: “Examining and creating fantasy texts!”
This term, the children will listen to, read, and interpret the novel ‘Forests of Silence.’

The development of a main character will be analysed. Taking on the role of an author, the children will then use precise vocabulary to write the first chapter of a fantasy novel.

HPE - Four health-related fitness

DRAMA

My Hero

Students make and respond to drama by exploring drama from different cultures

FRENCH

Getting to know you;
A day in a French School.

SCIENCE: “Survival in the environment”

In this unit, the children will examine the structural features and behavioural adaptations of plants and animals that enable survival in a particular environment. They will investigate how a particular animal has adapted to suit their environment.

HASS: “People and the environment”

During this unit, the children will examine the characteristics of places in Europe and North America and the location of their major countries in relation to Australia. They will describe the relative location of places at a national scale and identify and describe the human and environmental factors that influence the characteristics of places.

Design Technology

Design for a pet

Mathematics:

Students will apply a variety of mathematical concepts in real-life, life-like, and purely mathematical situations. Concepts include: Number, Place Value, Fractions, Chance and Data.
