

Home Reading will commence in Term 1. Thank you for all your support.

Prep J and Prep C Term 1 Curriculum Overview Mrs Johns and Mrs Capell

Library Borrowing will commence in Week 1 and will be every Thursday

English

Students will share their ideas and thoughts about stories with their friends. They will explore characters, events, favourite stories and how stories remind them of their own experiences.

Maths

Students will develop fluency and understanding by naming, representing and ordering numbers 1 - 10. They will use problem solving and reasoning in a statistical investigation that sorts, collects and compares data.

Science

Students will explore living things and investigate features of living things. They will use their scientific knowledge to justify why something is living and give reasons for how they care for living things.

HASS

Students will explore the following inquiry question:
What is my history and how do I know?

Digital Technologies

Students will experience and identify how digital and information systems are used for particular purposes in daily life.

Drama

Students make and respond to drama by exploring the school, local community and imagined places as stimulus for process drama and dramatic play.

HPE

In PE students will develop movement skills of running, hopping, jumping and galloping through activities and games.

In health, students will identify and describe different emotions people experience in a variety of settings.
