English

What a character! (Weeks 1-5)
In this unit, students will be reading and viewing a variety of texts to identify features of characters in these texts culminating in a written character description.

Poetry Fun (Weeks 6-10)
In this unit, students will be listening to, reading and viewing a variety of poems to explore sound and rhythm.

Maths

Children will be investigating:
- Number Patterns
- Recognition of 2 digit numbers and partitioning.
- Comparing quantities
- Location and Position
- Addition and subtraction
- Part, part, whole
- Half

Science

Material Madness
In this unit, students investigate and describe physical changes that can be made to familiar materials. They modify an existing material by making physical changes for a given purpose and conduct a guided investigation to test their modifications.

History

Sequence of Time
Students will develop an understanding of terms indicating the passing of time which are frequently used in stories and conversations about the past.

Exploring Yesterday—My Grandparents, My Parents and Me
How has family life changed or remained the same over time? Comparing the present and the past.

Mrs Easlea and Mr Dunning (Class Teachers)

The Arts/ HPE/ Technology

In the Arts, HPE and Technology, children will be working with the Queensland Essential Learnings.
