In a Prep classroom students will be

* Listening to stories  
* Playing number and alphabet games  
* Exploring the letters and sounds of the alphabet  
* Singing songs  
* Playing in the playground  
* Painting, creating and building  
* Using the computers  
* Writing letters and words

**ENGLISH** - Students will listen to familiar stories and fairy tales. Students will choose a story to retell to the class.

**MATHS** - Students will measure the length, height and width of objects. Students will learn about 2D and 3D shapes, patterns, and counting forwards and backwards.

**SCIENCE** - Students will understand that movement can be observed and discussed. Students will investigate how some factors affect movement, including size and shape.

**HISTORY** - Students will discuss their families, how they are related to each other as well as their family’s history.
