This school community provides a chaplaincy program endorsed by the school's Parents and Citizens' Association and available on a voluntary basis to all students. The chaplain is involved in a range of activities which happen at this school which are free of religious, spiritual and/or ethical content. These activities, which include alternate education programs are available to all students on a voluntary basis unless a parent or guardian requests in writing that this is not to occur for their child/ren.

Please tick one of the boxes below:

- I consent for my child/ren to participate in these activities
- I do not consent for my child/ren to participate in these activities.

Chaplains may also be involved in activities with religious, spiritual and/or ethical content and additional consent is sought from parent/guardians for these specific activities.

Information about the school's chaplaincy program is on the school's website. Prior to commencement of any additional activities with religious, spiritual and/or ethical content in the school, parents/guardians will be advised through the school newsletter, Facebook and the school website.
